Leadership Council Gathering Highlights

On March 1-2, 2013 the Leadership Council gathered at Savior Pastoral Center in Kansas City, Kansas for one of our bi-annual meetings. Here are a few highlights from our dialogue:

- Our Council prayed together often during our gathering. TEC Communities were especially in our prayers. We also took time to socialize during meals and in the evenings.
- Each of the volunteer Ministry Teams that serve the TEC Conference reported on their projects and membership. The Council gave feedback and discussed strategies for expanding the membership of these teams. We also invited nominations for the Leadership Team.
- We reviewed and approved the 2013-2014 budget for the TEC Conference.
- We prayed and talked about the Heritage Awards, which are awarded during the Congress each year.
- We reviewed the Structure of the Council (Regions and States) and the advisability of moving to a direct representation structure. In so doing, we reviewed the feedback received from many TEC Communities on this topic, but felt that the time was not right to make a change. The topic was tabled for discussion at a future Council Meeting.
- We discussed the status of TEC Communities around the world and tried to discern what resources the TEC Conference could develop to assist them. The Council especially desires to formulate resources for struggling TEC Communities.
- We reviewed the status of the Stewardship Fee (initiated just under one year ago) and were pleased to find that most TEC Communities are either participating or planning to support the Conference in this regard.
- We heard reports from the host communities for the 2013 and 2014 Congress gatherings and provided some feedback. We also dialogued about the more remote planning for the 2015 Congress, which will be the 50th Anniversary of the founding of the TEC movement.
- We celebrated Eucharist together and had the opportunity to meet the Diocesan Directors for Youth Ministry of both the Dioceses of Kansas City in Kansas and Kansas City-St. Joseph, Missouri. One of the benefits of making this a traveling meeting is the opportunity to meet and build connections with affiliated TEC Communities.

Going Fourth

TEC Congress July 19-21, 2013

"Do Whatever He Tells You."

TEC Congress Theme

John 2:1-11

For Jesus, the Wedding at Cana was the start of his public ministry. He went forth from Cana with his disciples to do the work of His Father. For many, a TEC retreat is the start of their public discipleship. Having had an encounter with Christ, they now Go Forth. . . on the Fourth Day to serve the Lord. Jesus did not go alone and neither should we. Jesus had the support of his disciples and we have our TEC community. In order for a TEC community to be of solid support it needs to have a strong Fourth Day plan.

At last year's Congress we were "Tending the Vine" to strengthen ourselves. Now it is time to "Go Forth – and Do Whatever He Tells You" in living out our "Fourth Day."
