

## MINISTRY OF DEVELOPMENT

by Mary O'Brien, Development Assistant

Yes! That's how we should all think of development -- it truly is a ministry!

I would like to introduce the TEC Conference Development Ministry Team: Geri Moore, Chair, Greenville, Ill.; Kathy Casey, Caledonia, Mich.; Melissa Karrar, Lake Odessa, Mich.; Gary Przygoda, House Springs, Mo.; Tom Lilly, advisor, Evansville, Ind.; Becky Kresowik, Iowa City, Iowa; Ron Reiter, Executive Director and myself Mary O'Brien, Development Assistant.

Along with many other volunteers and the generosity of many, we continue to seek the funds for the TEC Conference. We generally have a monthly conference call and gather during the year at the conference events.

How can we vision development being a ministry and be a resource for each other?

Together we can strive to make your local center and the TEC Conference operate from "hand to mouth" to celebrating with keeping our development vision one of our main goals. In everything we do for TEC we should be intentional in our prayer, our weekend preparations, the weekends, follow-through, process and in seeking funds. In future issues, our hope is that we are able to share with you and your center an idea for awareness of seeing how development is truly a ministry -- alive and well in collaboration with the Conference. For October, let us reflect on one of the lines from *The Soul of Money, Transforming Your Relationship With Money and Life*... "Money is like water. It can be a conduit for commitment, a currency of love."

If you would like to connect with any of the development ministry team, please email or call me.

Grateful for the gift of each of you!

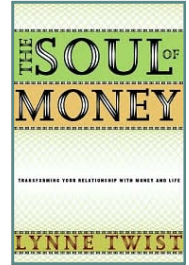

Mary

"TEC changed my life in 1968 and has been a strong influence since then. I can't afford to give a lot, but want to support it on a monthly basis. So I pledge my amount and then take 12 envelopes and address them to TEC. I write a different month (Jan., Feb. etc.) on each envelope and place them in my bill holder. It reminds me to send my donation. I challenge all of you to do the same. If you can only afford \$10.00 a month (two meals at a fast food place), you'll be healthier and feel happier doing 'wheat' for TEC! God bless all of you for your support of TEC at the world level!"  
- Kathy Casey, Caledonia, Mich.

## THE SOUL OF MONEY

Here's an excerpt from  
*The Soul of Money, Transforming Your Relationship With Money and Life*  
by Lynne Twist

- Money is like water. It can be a conduit for commitment, a currency of love.
- Money moving in the direction of our highest commitments nourishes our world and ourselves.
- What you appreciate appreciates.
- When you make a difference with what you have, it expands.
- Collaboration creates prosperity.
- True abundance flows from enough, never from more.
- Money carries our intention. If we use it with integrity, then it carries integrity forward.
- Know the flow-take responsibility for the way your money moves in the world.
- Let your soul inform your money and your money express your soul.
- Access your assets-not only money but also your character and capabilities, your relationships and other nonmoney resources.

Now it's your turn to get the word out about the great things happening in your community. Share your

## CONGRESS 2008 ADVENTURE!

How did you pass the time traveling to the 2008 Congress? Judy Fillback from Kairos TEC tells us their story. "The five of us from Kairos TEC (Madison Diocese) had a ball playing "Wichita Bingo" planned and written by DeAnne Gile. It sure made the trip go faster and we are still talking about it. No one ever did find Sour Cream Pie on a menu. Father Dave Timmerman was the winner. His prize was a gift certificate to Applebee's. Going home we had so much to talk about after the TEC Congress that we didn't need a game."
