TEC Ambassador Program

...The TEC Ambassador Program (TAP) empowers us all to accept the challenge before us as Ambassadors of Christ – of TEC – and encourages us all to fulfill the message we received on GO DAY; to carry the message to another individual, by sharing our TEC experience and inviting others to come experience TEC and a weekend with Christ.

TAP ensures an ongoing effort and delivers a fruitful and exciting 4th Day plan in which spreading the Good News about Christ and the TEC experience is at the core of the discussion.

JESUS LOVES YOU, GO TELL OTHERS!
